

Cinema di Vetta

From 2 February 2010 to 7 February 2010

Where:

[Milano - Cinema Gnomo](#)

A week of documentaries and film clips: from the commemoration of the great feat of climbing K2 in 1954 to the scaling of Everest starting from the shore of the Indian Ocean by the explorer and writer Tim Mac Cartney-Snape, to the "beat" climb of a group of young activists of the 1968 protest movement who, during the years of protest, revisited classic mountain-climbing to the rhythm of the music of Bob Dylan and the Popol Vuh. The evenings will be introduced by Agostino Da Polenza, the manager of the Everest K2 - CNR project, by Franco Michieli - an explorer - and by Alessandro Gogna, a mountain climber, writer and publisher.

Notes

Le serate saranno introdotte da Agostino Da Polenza, responsabile del progetto Everest K2 - CNR, da Franco Michieli - esploratore - e da Alessandro Gogna, alpinista, scrittore e editore.
